GALLERY 104 – JURYING STANDARDS

ALL WORKS must be the original work of the artist and should be representative of the quality and nature of the art the applicant intends to exhibit at the gallery. The work needs to have been completed within the last two years. Work made from commercial molds, kits or patterns is prohibited, as well as foodstuffs and any item that violates copyright laws.

If your work is composed largely of commercially-produced or purchased parts/found objects, it will be at the discretion of the jury to accept or reject the work based on the standards listed below. It is the intent of Gallery 104 to emphasize original fine art. In this regard, the following guidelines pertain to:

PHOTOGRAPHY AND COMPUTER GENERATED ART: Photographic images should be very limited with no more than 25 copies of any given image. (Images should be numbered on the back). A particular photograph should be represented in the Gallery by no more than one framed and one matted work. Computer-generated art will be subject to evaluation on quality and originality. Source material can be used again, but the final image must be unique.

TECHNICAL SKILL AND CRAFTSMANSHIP:

- The artist's handling of the medium and use of materials shows control, skill and experience.
- The artist should be adept at using the medium's characteristics.

DESIGN AND LEVEL OF ACHIEVEMENT:

- The design or composition of the work exhibits knowledge of the Principles of Design (balance, rhythm and unity, etc.)
- There is a design consistency with each piece and in the artist's body of work.
- The work shows the artist's use of time, thought, knowledge and skill.

ARTISTIC STYLE:

- The work is creative and shows the individual style of the artist.
- The work expresses the artist's personal feelings and thoughts and does not replicate those of another artist.

PRESENTATION OR OVERALL IMPRESSION:

- The overall impression of the work is positive and able to be displayed in a public setting.
- The work is presented in a manner that enhances the art.

***Work must be submitted in digital format to be easily emailed to panel of jurors.**
